I need all members to start thinking about elections at the meeting in Jan. I am ready to pass the presidency to someone else. I would like someone to be chairman of a re-election committee, not proper for me to do it, but will if need be.

I am currently handling the treasury, altho Ted K7OM is treasurer on paper. First Citizens is the bank. I don't mind keeping with that another year, unless someone else really wants to handle it.
